FORMULA INVEST GROUP

COSMETIC TESTING, REGULATORY & SCIENTIFIC SERVICES

SCIENCE. TRUST. EXCELLENCE.

Fig Formula Invest Group (Pty) Ltd is a global professional services provider specializing in cosmetic testing, regulatory compliance, product safety, and scientific support for the personal care industry.

Why Choose FIG?
- Global accredited laboratory network
- Cosmetic testing & efficacy studies
- Regulatory compliance support
- Safety assessments & toxicology
- Market access expertise
- End-to-end project support

We enable brands, manufacturers, and distributors to develop, validate, and commercialize products that meet international regulatory and safety standards.
Through our international network of accredited laboratories, we deliver reliable, compliant, and market-ready results across all stages of product development to launch.
